

# BBA Ladies Competition Notes 2024

## **Junior Singles and pairs**

There are only 2 entries in the Women's U25 singles therefore Zoe Watkins and Shannon Maughan will play the final over finals weekend

Zoe and Shannon are our only entry in the Junior Pairs and will represent Bucks at Leamington Spa during the Bowls England National Championships.

## **Ladies Triples and Fours**

This year we are trailing playing the triples and fours over two venues, Aylesbury Town and Waddesdon.

On the draw sheet it will show where you are playing on the day, please arrive promptly by 9am so the draw can take place.

The second game in the Triples is in the afternoon at Aylesbury Town. If you are playing at Waddesdon in the morning, you will need to be at Aylesbury Town for a 2pm start. I will not be doing a full redraw in the afternoon, but those that played at Aylesbury in the morning will play against each other and the same for those who played at Waddesdon.

The four will be played the same way although the afternoon games will be played at Waddesdon.

I took on board the comments from last year that with everyone being at one venue there was a lot of sitting around between games, by splitting the first round between two clubs, which are local to each other no one should have a long wait before the second game. Also by playing all the second games at one venue it gives the other host club from that morning to have a home game in the afternoon if they wish.

In both cases we will play down to the semi final stages. There is a prelim for games before the set date and I have tried to keep these in division to save on travel. Please let me have your thoughts, positive or otherwise after the games.

Judy Plater

BBA Women's Competition Manager.
